Short title and commencement

15. This Act is called the Western Cape Monitoring and Support of Municipalities Amendment Act, 2024, and comes into operation on a date determined by the Premier by proclamation in the *Provincial Gazette*. 45

MEMORANDUM ON THE OBJECTS OF THE WESTERN CAPE MONITORING AND SUPPORT OF MUNICIPALITIES AMENDMENT BILL

1. BACKGROUND

- 1.1 The Western Cape Monitoring and Support of Municipalities Act, 2014 (Act 4 of 2014)(the principal Act), was enacted in 2014 to give effect to sections 154(1) and 155(6) of the Constitution of the Republic of South Africa, 1996 (the Constitution), and section 106(1) of the Local Government: Municipal Systems Act, 2000 (Act 32 of 2000) (the Municipal Systems Act). The principal Act is currently used in conjunction with the Municipal Systems Act, the Local Government: Municipal Finance Management Act, 2003 (Act 56 of 2003) (the MFMA), and the constitutional provisions that govern provincial intervention in municipalities. One of the crucial shortcomings of these frameworks is that adequate provision is not made for proactive measures for early detection and intervention in cases of municipal corruption and fraud, and instances where a municipality falls into distress.
- 1.2 The advantages of early intervention include the ability to prevent serious misconduct and corruption by identifying patterns of behaviour that precede the occurrence of misconduct. It has been found to have a positive impact on employee well-being and to reduce the costs associated with criminal investigations and performance sanctions.
- 1.3 Research shows that when interventions were initiated before the municipality reached a state of total collapse, the municipality was more likely to be able to return to a sound operational and financial footing after the intervention. In other words, the worse the state of the municipality (for example, financial collapse, complete breakdown in governance structures, collapse of infrastructure) prior to intervention, the less likely it is to be able to return to a stable financial and operational state.

2. OBJECTS OF BILL

The objects of the Western Cape Monitoring and Support of Municipalities Amendment Bill, 2024 (the Amendment Bill), are therefore to—

- (a) provide for the proactive monitoring of municipalities to detect fraud, corruption, maladministration and other serious malpractice early;
- (b) strengthen the ability of the provincial department responsible for local government (the Department) to support municipalities;
- (c) strengthen the ability of the Department to gain access to the information required to conduct investigations and assessments effectively;
- (d) strengthen the monitoring and support of municipalities by making provision for municipal councils to conduct preliminary assessments where there are allegations that are not frivolous, vexatious, speculative or obviously unfounded that a municipality cannot or does not fulfil an executive obligation in terms of the Constitution or a statutory obligation binding on the municipality or that maladministration, fraud, corruption or other serious malpractice is occurring in the municipality; and
- (e) reduce red tape and refine technical provisions in the principal Act.

3. CONTENTS OF BILL

- 3.1 **Clause 1** provides for the insertion of definitions for “commissioner of oaths”, “local government support officer”, “ministerial support officer”, “personal information”, “political office-bearer”, “provincial support officer”, “record”, “Special Investigating Unit” and “staff member”.
- 3.2 **Clause 2** amends section 2 of the principal Act by adding a provision that empowers the Provincial Minister, by notice in the *Provincial Gazette*, to require any municipality, or any category or type of municipality specified in

the notice, to submit to a specified provincial organ of state the information required in the notice, either at regular intervals or within a specified period, and a provision setting out the manner in which this power must be exercised.

3.3 **Clause 3** inserts the proposed sections 2A and 2B, which provide for—

- 3.3.1 a municipality, on the request of the provincial executive, Provincial Minister responsible for local government (the Provincial Minister), ministerial support officer, provincial support officer or officials of the Department, to provide these persons with access to such records as may be necessary for the monitoring, assessment or investigation of a municipality;
- 3.3.2 the designation of local government support officers to provide support to a municipality as contemplated in section 154(1) or 155(6) of the Constitution.

3.4 **Clause 4** amends section 3 of the principal Act by—

- 3.4.1 stipulating that a municipal council, speaker, mayor or municipal manager are the specific functionaries who may request the Provincial Minister or the head of any provincial department to assist the municipality in performing their respective functions or to deal with a specific matter related to their respective functions;
- 3.4.2 making technical refinements to the provision that provides for cooperation between a municipality requesting assistance and the Department.

3.5 **Clause 5** inserts the proposed section 3A that provides for—

- 3.5.1 the Provincial Minister to designate a provincial support officer to determine compliance by a municipality with applicable statutory obligations, to assess implementation by a municipality of applicable policies, standard operating procedures and practice notes, to identify risks and suggest improvements to procedures and processes and to assist proactively with the detection of fraud, corruption, maladministration or malpractice in a municipality;
- 3.5.2 the Provincial Minister to determine the scope and other terms of reference of the monitoring and support to be provided if a provincial support officer is designated;
- 3.5.3 the provincial support officer to provide the Provincial Minister with a report on the findings of the monitoring and support, with reasons, and his or her recommendations;
- 3.5.4 the Provincial Minister to provide a copy of the report to the municipality concerned.

3.6 **Clause 6** amends section 4 of the principal Act by clarifying that the practice notes issued in terms of that section have the status of non-binding guidelines.

3.7 **Clause 7** inserts the proposed sections 4A, 4B and 4C in the principal Act that provide—

- 3.7.1 for the Provincial Minister, on receipt of information of a suspected failure by a municipality to fulfil a statutory obligation, or of maladministration, fraud, corruption or other serious malpractice, if he or she has reason to believe that a record relating to the information received will be concealed or destroyed if not secured as a matter of priority, to designate a ministerial support officer to travel to the municipality without prior notice to the municipality and inspect,

secure and copy a record relating to the received information in the manner provided for in the proposed section 4A, read with the proposed section 7A, as inserted by clause 11;

- 3.7.2 for the Provincial Minister, on receipt of well-founded allegations that a municipality cannot or does not fulfil an executive obligation in terms of the Constitution or a statutory obligation binding on the municipality or of maladministration, fraud, corruption or other serious malpractice, to direct the municipal council of the municipality to conduct a preliminary assessment of the allegations, and further that the Provincial Minister may require the municipal council to provide him or her with a preliminary assessment report stipulating the findings and the steps that have been taken or will be taken to address the matter;
- 3.7.3 for the avoidance of the duplication of assessments and investigations by expressly providing for the Provincial Minister to refer an allegation to the South African Police Service, an institution contemplated in Chapter 9 of the Constitution, the Special Investigating Unit or another organ of state if he or she deems it more appropriate for such a body to investigate the matter and to await the outcome of such an investigation before taking action in terms of section 106 of the Municipal Systems Act or the principal Act.
- 3.8 **Clause 8** substitutes section 5 of the principal Act by making technical amendments to the required procedures before invoking section 106(1) of the Municipal Systems Act.
- 3.9 **Clause 9** amends section 6 of the principal Act by—
 - 3.9.1 making technical amendments to the required procedures when invoking section 106(1) of the Municipal Systems Act;
 - 3.9.2 providing that, if the Provincial Minister is satisfied that a municipality cannot fulfil a statutory obligation due to incapacity, the Provincial Minister may determine appropriate steps, in cooperation with the municipality, to develop the capacity of the municipality and to ensure that the municipality implements applicable practice notes and other best-practice standards;
 - 3.9.3 clarifying that, if the Provincial Minister acts under subsection (1)(a) of section 6 or paragraph (a) of subsection (2), he or she is not precluded from designating a person or persons to investigate the matter as contemplated in section 7;
 - 3.9.4 adding a provision providing that, if the Provincial Minister has reason to believe, based on the assessment contemplated in section 5, that a municipality cannot or does not fulfil a statutory obligation or that maladministration, fraud, corruption or any other serious malpractice has occurred or is occurring in the municipality, but does not consider it necessary to designate a person or persons to investigate the matter, he or she may direct the municipality to prepare a report stipulating the steps that have been taken, or will be taken, by the municipality to address the matter.
- 3.10 **Clause 10** amends section 7 of the principal Act by—
 - 3.10.1 providing for additional powers an investigator may exercise for the purposes of an investigation contemplated in section 6(1)(b) of the Act, including the right to enter the premises or property of a municipality where he or she reasonably suspects a record is kept that may have a bearing on the investigation, to copy or duplicate any such record or remove any such record (including an electronic device),

- provided that the record (or electronic device) is returned to the municipality without unreasonable delay, for the purpose of ascertaining any matter relating to the subject matter of the investigation, to require a person to make an oral or written declaration under oath or affirmation or to subpoena any person to produce any record or object relevant to the investigation at the time and place specified in the subpoena;
- 3.10.2 providing that the investigator has full and unrestricted access to any record of the municipality or staff member or office-bearer of the municipality in the manner set out in that provision and the provision proposed to be inserted by clause 11 of the Amendment Bill, if the investigator reasonably suspects that the record, staff member or political office-bearer concerned may give access to or provide information that has a bearing on the investigation;
- 3.10.3 providing for the Provincial Minister to share the report and recommendations of the investigator with the South African Police Service, an institution contemplated in Chapter 9 of the Constitution, the Special Investigating Unit, another organ of state or the councillors of the municipality concerned;
- 3.10.4 adding a provision that provides that, in the event that the investigator's report indicates that the municipality cannot or does not fulfil a statutory obligation or that maladministration, fraud, corruption or any other serious malpractice has occurred or is occurring in the municipality, the Provincial Minister may direct the municipality to prepare a report, by a stipulated date, indicating the steps that have been taken, or will be taken, by the municipality to give effect to the findings and recommendations of the investigator's report.
- 3.11 **Clause 11** inserts the proposed section 7A that provides for the manner in which the ministerial support officer and investigator must exercise their functions—
- 3.11.1 by providing that the ministerial support officer or investigator may require a staff member, councillor or political office-bearer of a municipality to comply with a direction or answer questions put to him or her notwithstanding a duty of impartiality imposed on that person by legislation that regulates, or an agreement that relates to the conduct of a staff member, councillor or political office-bearer of the municipality, or any provision in legislation or other applicable instrument regulating the management of records in a municipality;
- 3.11.2 by indicating the manner in which the ministerial support officer and investigator must exercise the power to enter the property or premises of a municipality, including provision that such power may only be exercised by virtue of a warrant issued in chambers by a judge of the high court who has jurisdiction unless the highest-ranked staff member or political office-bearer present at the property consents to such entry or there are reasonable grounds to believe that a warrant would on application be issued, but the delay that may be caused by applying for a warrant would defeat the object of obtaining the warrant.
- 3.12 **Clause 12** amends section 9 of the principal Act by deleting a reporting requirement subsequent to action taken in terms of section 6(1)(a) or (b) of the Act.
- 3.13 **Clause 13** substitutes section 10 of the principal Act by making provision for the Provincial Minister to make regulations on—
- 3.13.1 adequate safeguards for the processing of personal information;

3.13.2 processes to facilitate the implementation of the Act.

These provisions are empowering provisions that authorise the Provincial Minister to make regulations on such matters to facilitate improvements in the implementation of the Act, once enacted, if the need arises. These matters are administrative in nature and considered appropriate to be included in regulations.

The proposed provision noted in paragraph 3.13.1 above, which authorises the Provincial Minister to make regulations on “adequate safeguards for the processing of personal information” must be read with the proposed section 7A(5) inserted by clause 11, which relates to the manner in which personal information must be handled by the ministerial support officer, provincial support officer, local government support officer or investigator. It is noted that the Protection of Personal Information Act, 2013 (Act 4 of 2013) (POPIA), is potentially applicable to information obtained by the Province in terms of the Amendment Bill, once enacted. The exemptions from specified provisions provided for in section 38 of POPIA are, however, likely to be applicable. In this regard, the Province is a public body (as defined in section 1 of POPIA) and the functions in the Amendment Bill are also functions that may be construed to protect members of the public against dishonesty, malpractice or other seriously improper conduct by or the unfitness or incompetence of persons authorised to carry on any profession or other activity. Accordingly, sections 11(3) and (4), 12 and 15 will not apply to the extent that the application of those provisions would be likely to prejudice the proper discharge of that function.*

Section 6(1)(c)(ii) of POPIA provides that the processing of information is excluded from its application, including in respect of—

“... the processing of personal information—

(c) by or on behalf of a public body—

(ii) the purpose of which is the prevention, **detection**, including assistance in the identification of the proceeds of unlawful activities and the combating of money laundering activities, **investigation or proof of offences**, the prosecution of offenders or the execution of sentences or security measures,

to the extent that adequate safeguards have been established in legislation for the protection of such personal information;”.

The functions under the Amendment Bill fall within section 6(c)(iii) and, in light thereof, provision is accordingly included in the Amendment Bill authorising the Provincial Minister to make regulations for “adequate safeguards for the processing of personal information” as an option in the future.

3.14 Clause 14 substitutes section 11 of the principal Act by providing for additional offences.

* Section 38 of POPIA provides the following:

“(1) Personal information processed for the purpose of discharging a relevant function is exempt from sections 11 (3) and (4), 12, 15 and 18 in any case to the extent to which the application of those provisions to the personal information would be likely to prejudice the proper discharge of that function.

(2) “Relevant function” for purposes of subsection (1), means any function—

(a) of a public body; or

(b) conferred on any person in terms of the law,

which is performed with the view to protecting members of the public against—

(i) financial loss due to dishonesty, malpractice or other seriously improper conduct by, or the unfitness or incompetence of, persons concerned in the provision of banking, insurance, investment or other financial services or in the management of bodies corporate; or

(ii) dishonesty, malpractice or other seriously improper conduct by, or the unfitness or incompetence of, persons authorised to carry on any profession or other activity.”.

4. CONSULTATION

- 4.1 The following role players were consulted:

Chief Registrar of the Western Cape High Court
Department of the Premier: Legal Services
Other provincial departments
South African Local Government Association (Salga)
The Information Regulator

- 4.2 Proposed amendments to the Act were presented and discussed at the Legislative and Constitutional Task Team meeting between the Department, Department of the Premier (Legal Services), other provincial departments, Salga and municipalities (legal advisers, directors: Corporate Services and municipal managers), held on 5 March 2021. The Amendment Bill was also presented and discussed at the Salga Western Cape Governance and Intergovernmental Relations Working Group meeting held on 10 May 2023.
- 4.3 The Amendment Bill was published for comment in *Provincial Gazette* 8723 dated 24 February 2023, with a closing date of 6 April 2023. The period for public comments was subsequently extended by way of a further notice in the *Provincial Gazette* with a new closing date for public comments of 28 April 2023 to give further opportunity for the public to comment.
- 4.4 The Amendment Bill was further circulated by means of Circular C11 of 2023 to all municipalities in the Province and to Salga, calling for comments on the Amendment Bill.

5. FINANCIAL IMPLICATIONS

The proposed amendments do not envisage the (i) establishment of additional structures to the Department or (ii) further employment of members to the staffing establishment. If internal capacity does not permit officials from the Provincial Government or staff from a municipality in the Province to be designated by the Provincial Minister as a local government support officer, ministerial support officer or provincial support officer, then external persons will have to be appointed, with the associated cost implications.

The direct costs to government will include travel costs for departmental staff to attend on municipalities, *inter alia* to conduct proactive assessments. The costs are not determinable at this stage as it would depend on when such an assessment is required.

6. LEGISLATIVE COMPETENCE

The Provincial Minister responsible for local government is satisfied that all the provisions in the Amendment Bill fall within the legislative competence of the Province.

Kort titel en inwerkintreding

15. Hierdie Wet heet die Wes-Kaapse Wysigingswet op Monitering en Ondersteuning van Munisipaliteite, 2024, en tree in werking op 'n datum bepaal deur die Premier by proklamasie in die *Provinsiale Koerant*. 35

MEMORANDUM OOR DIE OOGMERKE VAN DIE WES-KAAPSE WYSIGINGSWETSONTWERP OP MONITERING EN ONDERSTEUNING VAN MUNISIPALITEITE

1. AGTERGROND

- 1.1 Die Wes-Kaapse Wet op Monitering en Ondersteuning van Munisipaliteite, 2014 (Wet 4 van 2014) (die Hoofwet), is in 2014 bekragtig ten einde gevolg te gee aan artikels 154(1) en 155(6) van die Grondwet van die Republiek van Suid-Afrika, 1996 (die Grondwet), en artikel 106(1) van die Wet op Plaaslike Regering: Munisipale Stelsels, 2000 (Wet 32 van 2000) (die Wet op Munisipale Stelsels). Die Hoofwet word tans gebruik saam met die Wet op Munisipale Stelsels, die Wet op Plaaslike Regering: Munisipale Finansiële Bestuur, 2003 (Wet 56 van 2003) (die WMFB), en die grondwetlike bepalings wat provinsiale ingryping in munisipaliteit bestuur. Een van die deurslaggewende tekortkominge van hierdie raamwerke is dat daar nie voldoende voorsiening gemaak word nie vir proaktiewe maatreëls vir vroeë bespeuring en ingryping in gevalle van munisipale korupsie en bedrog, en gevalle waar 'n munisipaliteit in nood verval.
- 1.2 Die voordele van vroeë ingryping sluit in die vermoë om ernstige wangedrag en korupsie te voorkom deur gedragspatrone te identifiseer wat die voorkoms van wangedrag voorafgaan. Daar is bevind dat dit 'n positiewe uitwerking op werknekemers se welstand het en dit verminder die koste wat met kriminele ondersoeke en prestasiesanksies verband hou.
- 1.3 Navorsing toon dat wanneer ingrypingsmaatreëls ingestel word voor die munisipaliteit 'n toestand van totale ineenstorting bereik, die munisipaliteit meer geneig is om na 'n gesonde operasionele en finansiële grondslag ná die ingryping terug te keer. Met ander woorde, hoe slechter die toestand van die munisipaliteit (byvoorbeeld finansiële ineenstorting, volledige ineenstorting van bestuurstrukture, ineenstorting van infrastruktuur) voor ingryping, hoe minder waarskynlik is dit dat die munisipaliteit na 'n stabiele finansiële en operasionele toestand sal terugkeer.

2. OOGMERKE VAN WETSONTWERP

Die oogmerke van die Wes-Kaapse Wysigingswetsontwerp op Monitering en Ondersteuning van Munisipaliteit, 2024 (die Wysigingswetsontwerp), is dus om—

- (a) voorsiening te maak vir die proaktiewe monitering van munisipaliteit om bedrog, korupsie, wanadministrasie en ander ernstige wanpraktekte vroegtydig te bespeur;
- (b) die vermoë van die provinsiale departement verantwoordelik vir plaaslike regering (die Departement) te versterk om munisipaliteit te ondersteun;
- (c) die vermoë van die Departement te versterk om toegang te verkry tot die inligting wat nodig is om ondersoeke en evaluerings doeltreffend uit te voer;
- (d) die monitering en ondersteuning van munisipaliteit te versterk deur voorsiening te maak vir munisipale rade om voorlopige evaluerings te doen waar daar bewerings is wat nie beuselagtig, kwelsugtig, spekulatief of ooglopend ongegrond is nie, dat 'n munisipaliteit 'n uitvoerende verpligting ingevolge die Grondwet of 'n statutêre verpligting wat op die munisipaliteit bindend is, nie kan uitvoer nie of nie uitvoer nie of dat wanadministrasie, bedrog, korupsie of ander ernstige wanpraktekte in die munisipaliteit plaasvind; en
- (e) rompslomp te verminder en tegniese bepalings in die Hoofwet te verfyn.

3. INHOUD VAN WETSONTWERP

kleér”, “provinsiale steunbeampte”, “rekord” en “Spesiale Ondersoekeneheid”.

- 3.2 **Klousule 2** wysig artikel 2 van die Hoofwet deur ’n bepaling by te voeg wat die Provinciale Minister deur kennisgewing in die *Provinciale Koerant* bemagtig om enige munisipaliteit, of enige kategorie of soort munisipaliteit vermeld in die kennisgewing, te versoek om aan ’n vermelde provinsiale staatsorgaan die inligting voor te lê wat in die kennisgewing vereis word, hetsy met gerealde tussenposes of binne ’n vermelde tydperk, en ’n bepaling wat die wyse uiteensit waarop hierdie bevoegdheid uitgeoefen moet word.
- 3.3 **Klousule 3** voeg die voorgestelde artikels 2A en 2B in, wat voorsiening maak vir—
- 3.3.1 ’n munisipaliteit, op versoek van die provinsiale uitvoerende gesag, Provinciale Minister verantwoordelik vir plaaslike regering (die Provinciale Minister), ministeriële steunbeampte, provinsiale steunbeampte of amptenare van die Departement, om hierdie persone toegang te gee tot sodanige rekords soos dit nodig mag wees vir die monitering, evaluering of ondersoek van ’n munisipaliteit;

- 3.4.1 te bepaal dat ’n municipale raad, speaker, burgemeester of municipale bestuurder die spesifieke funksionaris is wat die Provinciale Minister of die hoof van enige provinsiale departement kan versoek om die munisipaliteit met die verrigting van hul onderskeie funksies by te staan of om aandag te skenk aan ’n spesifieke aangeleentheid wat verband hou met hul onderskeie funksies;
 - 3.4.2 tegniese verfynings van die bepaling aan te bring wat voorsiening maak vir samewerking tussen ’n munisipaliteit wat bystand versoek, en die Departement.
- 3.5 **Klousule 5** voeg die voorgestelde artikel 3A in wat voorsiening maak vir—
- 3.5.1 die Provinciale Minister om ’n provinsiale steunbeampte aan te wys om voldoening deur ’n munisipaliteit aan toepaslike statutêre verpligte te bepaal, om implementering deur ’n munisipaliteit van toepaslike beleide, standaardwerksprosedures en praktyknotas te evalueer, om risiko’s te identifiseer en verbeterings aan prosedures en prosesse voor te stel en om proaktief bystand te verleen met die bespeuring van bedrog, korruksie, wanadministrasie of wanpraktyke in ’n munisipaliteit;
 - 3.5.2 die Provinciale Minister om die bestek en ander opdragte van die monitering en ondersteuning te bepaal wat verleen moet word indien ’n provinsiale steunbeampte aangewys word;
 - 3.5.3 die provinsiale steunbeampte om die Provinciale Minister te voorsien van ’n verslag oor die bevindinge van die monitering en ondersteuning, met redes, en sy of haar aanbevelings;
 - 3.5.4 die Provinciale Minister om ’n afskrif van die verslag aan die betrokke munisipaliteit te verskaf.
- 3.6 **Klousule 6** wysig artikel 4 van die Hoofwet deur te verduidelik dat die praktyknotas wat ingevalle daardie artikel uitgereik is, die status van niebindende riglyne het.

3.7 **Klousule 7** voeg die voorgestelde artikels 4A, 4B en 4C in die Hoofwet in wat voorsiening maak—

- 3.7.1 vir die Provinciale Minister om, by ontvangs van inligting van 'n vermoedelike versuim deur 'n munisipaliteit om 'n statutêre verpligting uit te voer, of van wanadministrasie, bedrog, korruksie of ander ernstige wanpraktyke, indien hy of sy rede het om te glo dat 'n rekord in verband met die inligting wat ontvang is, versteek of vernietig sal word indien dit nie as 'n saak van prioriteit beveilig word nie, 'n ministeriële steunbeampte aan te wys om sonder voorafkennisgewing aan die munisipaliteit na die munisipaliteit te reis en 'n rekord in verband met die inligting wat ontvang is, te inspekteer, te beveilig en te kopieer op die wyse soos bepaal in die voorgestelde artikel 4A, saamgelees met die voorgestelde artikel 7A, soos by klousule 11 ingevoeg;
- 3.7.2 vir die Provinciale Minister om, by ontvangs van gegronde bewerings dat 'n munisipaliteit 'n uitvoerende verpligting ingevolge die Grondwet of 'n statutêre verpligting bindend op die munisipaliteit nie kan uitvoer nie of nie uitvoer nie of van wanadministrasie, bedrog, korruksie of ander ernstige wanpraktyke, die munisipale raad van die munisipaliteit te beveel om 'n voorlopige evaluering van die bewerings te doen, en verder dat die Provinciale Minister ook die munisipale raad kan versoek om aan hom of haar 'n voorlopige evalueringsverslag te verskaf wat die bevindinge en die stappe uiteensit wat gedoen is of gedoen sal word om die aangeleentheid te behandel;
- 3.7.3 vir die voorkoming van die duplisering van evaluerings en ondersoeke deur uitdruklik voorsiening te maak vir die Provinciale Minister om 'n bewering te verwys na die Suid-Afrikaanse Polisiediens, 'n instelling beoog in Hoofstuk 9 van die Grondwet, die Spesiale Ondersoekenheid of 'n ander staatsorgaan indien hy of sy dit meer gepas ag vir sodanige liggaam om die aangeleentheid te ondersoek en om die uitslag van sodanige ondersoek af te wag voordat hy of sy ingevolge artikel 106 van die Wet op Munisipale Stelsels of die Hoofwet optree.

3.8 **Klousule 8** vervang artikel 5 van die Hoofwet deur tegniese wysigings van die vereiste procedures aan te bring voor die beroep op artikel 106(1) van die Wet op Munisipale Stelsels.

3.9 **Klousule 9** wysig artikel 6 van die Hoofwet deur—

- 3.9.1 tegniese wysigings aan te bring aan die vereiste procedures by die beroep op artikel 106(1) van die Wet op Munisipale Stelsels;
- 3.9.2 voorsiening te maak dat, indien die Provinciale Minister tevreden is dat 'n munisipaliteit as gevolg van onvermoë nie 'n statutêre verpligting kan uitvoer nie, die Provinciale Minister geskikte stappe kan bepaal, in samewerking met die munisipaliteit, om die vermoë van die munisipaliteit te ontwikkel en om toe te sien dat die munisipaliteit toepaslike praktyknotas en ander bestepraktyk-standaarde implementeer;
- 3.9.3 te verduidelik dat, indien die Provinciale Minister kragtens subartikel (1)(a) van artikel 6 of paragraaf (a) van subartikel (2) optree, hy of sy nie verhinder word nie om 'n persoon of persone aan te wys om die aangeleentheid te ondersoek soos beoog in artikel 7;

- 3.9.4 die byvoeging van 'n bepaling dat, indien die Provinciale Minister rede het om te glo, gegrond op die evaluering beoog in artikel 5, 'n munisipaliteit 'n statutêre verpligting nie kan uitvoer nie of nie uitvoer nie of dat wanadministrasie, bedrog, korruksie of enige ander ernstige wanpraktyke in die munisipaliteit plaasgevind het of plaasvind, maar dit nie nodig ag om 'n persoon of persone aan te wys om die aangeleentheid te ondersoek nie, hy of sy die munisipaliteit kan beveel om 'n verslag op te stel wat die stappe uiteensit wat deur die munisipaliteit gedoen is of gedoen sal word om die aangeleentheid te behandel.

3.10 Klousule 10 wysig artikel 7 van die Hoofwet deur—

- 3.10.1 voorsiening te maak vir bykomende bevoegdhede wat 'n ondersoeker kan uitoefen vir die doeleindeste van 'n ondersoek beoog in artikel 6(1)(b) van die Wet, met inbegrip van die reg om 'n perseel of eiendom van 'n munisipaliteit te betree waar hy of sy redelikerwys vermoed 'n rekord gehou word wat betrekking op die ondersoek mag hê, om enige sodanige rekord te kopieer of duplike te maak of enige sodanige rekord (met inbegrip van 'n elektroniese toestel) te verwijder, met dien verstande dat die rekord (of elektroniese toestel) sonder onredelike vertraging aan die munisipaliteit terugbesorg word, vir die doel om enige aangeleentheid te bepaal wat verband hou met die onderwerp van die ondersoek, om 'n persoon te versoek om 'n mondelinge of skriftelike verklaring onder eed of bevestiging af te lê of om enige persoon te dagvaar om enige rekord of voorwerp wat tersaaklik is tot die ondersoek, voor te lê op die tyd en plek in die dagvaarding vermeld;
- 3.10.2 voorsiening te maak dat die ondersoeker volle en onbeperkte toegang het tot enige rekord van die munisipaliteit of personeellid of ampsbekleer van die munisipaliteit op die wyse soos uiteengesit in daardie bepaling en die bepaling wat voorgestel word om deur klousule 11 van die Wysigingswetsontwerp ingevoeg te word, indien die ondersoeker redelickerwys vermoed dat die betrokke rekord, personeellid of politieke ampsbekleer toegang kan gee tot inligting of inligting kan verskaf wat op die ondersoek betrekking het;
- 3.10.3 voorsiening te maak vir die Provinciale Minister om die verslag en aanbevelings van die ondersoeker te deel met die Suid-Afrikaanse Polisiediens, 'n instelling beoog in Hoofstuk 9 van die Grondwet, die Spesiale Ondersoekeenheid, 'n ander staatsorgaan of met die raadslede van die betrokke munisipaliteit;
- 3.10.4 die byvoeging van 'n bepaling wat voorsiening maak dat, in die geval dat die ondersoeker se verslag aandui dat die munisipaliteit 'n statutêre verpligting nie kan uitvoer nie of nie uitvoer nie of dat wanadministrasie, bedrog, korruksie of enige ander ernstige wanpraktyke in die munisipaliteit plaasgevind het of plaasvind, die Provinciale Minister die munisipaliteit kan beveel om 'n verslag op 'n vasgestelde datum op te stel wat die stappe uiteensit wat deur die munisipaliteit gedoen is of gedoen sal word, ten einde gevolg te gee aan die bevindinge en aanbevelings van die ondersoeker se verslag.

3.11 Klousule 11 voeg die voorgestelde artikel 7A in wat voorsiening maak vir die wyse waarop die ministeriële steunbeampte en die ondersoeker hul funksies moet uitoefen—

- 3.11.1 deur voorsiening te maak dat die ministeriële steunbeampte of ondersoeker 'n personeellid, raadslid of politieke ampsbekleer van 'n munisipaliteit kan versoek om te voldoen aan 'n bevel of vrae te beantwoord wat aan hom of haar gestel word, nitemstaande 'n vertroulikheidsplig wat deur wetgewing aan daardie persoon opgêle word wat die gedrag van 'n personeellid, raadslid of politieke ampsbe-

kleër van die munisipaliteit reguleer, of 'n ooreenkoms wat verband hou met die gedrag van 'n personeellid, raadslid of politieke ampsbekleer van die munisipaliteit, of enige bepaling in wetgewing of ander toepaslike instrument wat die bestuur van rekords in 'n munisipaliteit reguleer;

3.11.2 deur die wyse aan te dui waarop die ministeriële steunbeampte en die ondersoeker die bevoegdheid moet uitoefen om die eiendom of perseel van 'n munisipaliteit te betree, met inbegrip van voorsiening dat sodanige bevoegdheid slegs uitgeoefen mag word uit hoofde van 'n lasbrief wat in kamers uitgereik is deur 'n regter van die hooggereghof met jurisdiksie, tensy die personeellid of politieke ampsbekleer met die hoogste rang op die eiendom teenwoordig tot sodanige betreding toestem of daar redelike gronde is om te glo dat 'n lasbrief, indien 'n aansoek ingedien word, uitgereik sal word, maar die vertraging wat deur 'n aansoek om 'n lasbrief veroorsaak kan word, die doel van die verkryging van die lasbrief sal verslaan.

3.12 **Klusule 12** wysig artikel 9 van die Hoofwet deur die skrapping van 'n ver slagdoeningsvereiste ná stappe gedaan kragtens artikel 6(1)(a) of (b) van die Wet.

3.13 **Klusule 13** vervang artikel 10 van die Hoofwet deur voorsiening te maak vir die Provinsiale Minister om regulasies te maak oor—

3.13.1 voldoende voorsorgmaatreëls vir die verwerking van persoonlike inligting;

3.13.2 prosesse om die implementering van die Wet te faciliteer.

Hierdie bepalings is bemagtigende bepalings wat die Provinsiale Minister magtig om regulasies oor sodanige aangeleenhede te maak om, indien die behoeftte ontstaan, verbeterings in die implementering van die Wet te faciliteer sodra dit bekragtig is. Hierdie aangeleenhede is administratief van aard en word as gepas beskou om in regulasies ingesluit te word.

Die voorgestelde bepaling wat in paragraaf 3.13.1 hier bo vermeld is, wat die Provinsiale Minister magtig om regulasies te maak oor "voldoende voorsorgmaatreëls vir die verwerking van persoonlike inligting" moet saamgelees word met die voorgestelde artikel 7A(5) deur klusule 11 ingevoeg, wat betrekking het op die wyse waarop persoonlike inligting deur die ministeriële steunbeampte, provinsiale steunbeampte, plaaslikeregering-steunbeampte of ondersoeker hanteer moet word. Daar word kennis geneem dat die Wet op Beskerming van Persoonlike Inligting, 2013 (Wet 4 van 2013) (POPIA), moontlik van toepassing is op inligting wat deur die Provinsie verkry is ingevolge die Wysigingswetsontwerp, sodra dit bekragtig is. Die vrystelling van spesifieke bepalings in artikel 38 van POPIA is egter waarskynlik van toepassing. In hierdie verband is die Provinsie 'n openbare liggaaam (soos omskryf in artikel 1 van POPIA) en die funksies in die Wysigingswetsontwerp is ook funksies wat vertolk kan word om lede van die publiek te beskerm teen oneerlikheid, wanprakteke of ander ernstig onbetaamlike gedrag deur of die ongeskiktheid of onbevoegdheid van persone wat gemagtig is om enige beroep of ander aktiwiteit te beoefen. Gevolglik sal artikels 11(3) en (4), 12 en 15 nie van toepassing wees in die mate dat die toepassing van daardie bepalings waarskynlik die behoorlike vervulling van daardie funksie sal benadeel nie.*

* Artikel 38 van POPIA maak voorsiening vir die volgende:

"(1) Persoonlike inligting wat vir die oogmerk van die uitvoering van 'n tersaaklike werksaamheid geprosesseer word, is vrygestel van artikels 11 (3) en (4), 12, 15 en 18 in enige geval vir sover die toepassing van daardie bepalings op persoonlike inligting, die behoorlike uitvoering van daardie werksaamheid waarskynlik sal benadeel.

(2) "Tersaaklike werksaamheid", by die toepassing van subartikel (1), beteken enige werksaamheid—

Artikel 6(1)(c)(ii) van POPIA bepaal dat die verwerking van inligting van die toepassing daarvan uitgesluit word, insluitende ten opsigte van—

“... die prosessering van persoonlike inligting ...—

(c) **deur of namens 'n openbare liggaam**—

(ii) waarvan die oogmerk die voorkoming, **opsporing**, met inbegrip van hulpverlening in die identifisering van die opbrengste uit onwettige aktiwiteite en die bestryding van geldwassery-aktiwiteite, **die ondersoek of bewys van misdrywe**, die vervolging van oortreders of die uitvoering van vonisse of veiligheidsmaatreëls, is,

vir sodanige genoegsame voorsorgmaatreëls in wetgewing vir die beskerming van sodanige persoonlike inligting daargestel is;”.

Die funksies kragtens die Wysigingswetsontwerp val binne artikel 6(c)(iii) en in die lig daarvan is voorsiening gemaak in die Wysigingswetsontwerp wat die Provinsiale Minister magtig om regulasies te maak vir “voldoende voorsorgmaatreëls vir die verwerking van persoonlike inligting” as 'n opsie in die toekoms.

3.14 **Klusule 14** vervang artikel 11 van die Hoofwet deur voorsiening te maak vir bykomende misdrywe.

4. OORLEGPREGING

4.1 Die volgende rolspelers is geraadpleeg:

Hoofregister van die Wes-Kaapse Hooggereghof
Departement van die Premier: Regsdienste
Ander provinsiale departemente
Suid-Afrikaanse Vereniging vir Plaaslike Regering (Salga)
Die Inligtingsreguleerdeur

4.2 Voorgestelde wysigings aan die Wet is voorgelê en bespreek tydens die vergadering van die Wetgewende en Grondwetlike Taakspan tussen die Departement, die Departement van die Premier (Regsdienste), ander provinsiale departemente, Salga en munisipaliteite (regsadviseurs, direkteure: Korporatiewe Dienste en munisipale bestuurders), gehou op 5 Maart 2021. Die Wysigingswetsontwerp is ook voorgelê en bespreek by die Salga Wes-Kaapse Werkgroep vir Bestuur en Interregeringsbetrekkinge wat op 10 Mei 2023 gehou is.

4.3 Die Wysigingswetsontwerp is vir kommentaar gepubliseer in *Provinsiale Koerant* 8723 van 24 Februarie 2023 met 'n sluitingsdatum van 6 April 2023. Die tydperk vir openbare kommentaar is daarna verleng by wyse van 'n verdere kennismaking in die *Provinsiale Koerant* met 'n nuwe sluitingsdatum vir openbare kommentaar van 28 April 2023 om verdere geleentheid aan die publiek te gee om kommentaar te lewer.

4.4 Die Wysigingswetsontwerp is verder deur middel van Omsendbrief C11 van 2023 aan alle munisipaliteite in die Provinsie en aan Salga gesirkuleer waarin gevra is om kommentaar op die Wysigingswetsontwerp te lewer.

(a) van 'n openbare liggaam; of

(b) regtens aan enige persoon opgedra,

wat verrig word met die oog op die beskerming van lede van die publiek teen—

- (i) finansiële verlies as gevolg van oneerlikheid, wanpraktyk of ander ernstige onbehoorlike gedrag deur, of die onbekwaamheid of onbevoegdheid van, persone wat betrokke is by voorsiening van bank-, versekerings-, beleggings- of ander finansiële dienste of in die bestuur is van korporatiewe verenigings; of
- (ii) oneerlikheid, wanpraktyk of ander ernstige onbehoorlike gedrag deur, of die onbekwaamheid of onbevoegdheid van, persone wat gemagtig is om enige professie of ander aktiwiteit te beoefen.”.

5. FINANSIELLE IMPLIKASIES

Die voorgestelde wysigings beoog nie die (i) instelling van bykomende strukture vir die Departement of (ii) verdere indiensneming van personeellede nie. Indien interne kapasiteit nie toelaat dat amptenare van die Proviniale Regering of personeel van 'n munisipaliteit in die Provinie deur die Proviniale Minister as 'n plaaslikeregering-steunbeampte, ministeriële steunbeampte of provinsiale steunbeampte aangewys word nie, sal eksterne persone aangestel moet word met die gepaardgaande koste-implikasies.

Die regstreekse koste vir die regering sal reiskoste insluit wat verbonde is aan die uitvoering van proaktiewe evaluerings deur personeel van munisipaliteite. Die koste kan nie in hierdie stadium bepaal word nie aangesien dit sal afhang van wanneer sodanige evaluering vereis word.

6. WETGEWENDE BEVOEGDHEID

Die Proviniale Minister verantwoordelik vir plaaslike regering is tevrede dat al die bepalings in die Wysigingswetsontwerp binne die wetgewende bevoegdheid van die Provinie val.
