

WESTERN CAPE PROVINCIAL LEGISLATURE

FRIDAY, 6 SEPTEMBER 2024

QUESTION FOR WRITTEN REPLY

3. Mr G P Marais to ask Mr D J Maynier, Minister of Education:

(a) How many schools in the province have (i) stopped offering Afrikaans and (ii) reduced Afrikaans classes to (aa) Grade R and (bb) Grade 1 learners between 2014 and 2024, (b)(i) what are the names of the schools where Afrikaans is not being offered to Grade R and Grade 1 learners and (ii) what were the reasons provided by these schools and (c) what are the details of the Language Policy of his Department as it relates to mother-tongue education?

Answer:

3. My Department has informed me of the following:

(a) and (b):

The Western Cape Education Department (WCED) does not collect classgroup level data to indicate increases or decreases in classes with Afrikaans as a Language of Learning and Teaching (LoLT).

The list of 703 schools currently offering Afrikaans as a LoLT, with the school's lowest grade being Grade R or Grade 1, is available below.

Parents may also choose to enrol their children to learn in a different LoLT to their home language.

A very high percentage of learners whose parents indicate that their home language is Afrikaans have the same language as their LoLT:

- In Grade R, 99.39% of learners with Afrikaans as their home language are learning in Afrikaans as their LoLT.
- In Grade 1, 99.47% of learners with Afrikaans as their home language are learning in Afrikaans as their LoLT.

(c):

The language policy for schools is guided by principles derived from the Constitution of the Republic of South Africa (RSA, 1996a) and the South African Schools Act (SASA) (RSA, 1996b).

Section 6 of the South African Schools Act (SASA) (RSA, 1996b) prescribes several preconditions in relation to the determination of language policy in public schools. Of great importance is the power that the Act confers on school governing bodies (SGBs) to determine the language policy of a school, albeit subject to the Constitution, SASA and any applicable provincial law.

The approach of the Western Cape Education Department (WCED) to mother-tongue education is in line with the Language in Education Policy of the national Department of Education.

School governing bodies determine medium of instruction, in terms of the South African Schools Act.
