(2) The spending of appropriations contemplated in subsection (1) is subject to this Act and the Public Finance Management Act. 10

Amounts specifically and exclusively appropriated

3. Amounts listed in the Schedule as specifically and exclusively appropriated and which refer to—

(a) national conditional grants, may be used only for the purpose stipulated in the Division of Revenue Act and in accordance with the framework published in terms of section 14 of that Act; 15

Earmarked allocations and frameworks

4. (1) Earmarked allocations to provincial departments are described in column 2 of the Schedule.

(2) The Provincial Treasury must, within 14 days of the commencement of this Act, publish in the *Provincial Gazette* a framework for each earmarked allocation. 25

(3) The framework—

(a) must prescribe comprehensive reporting on outputs for a programme or function funded or partially funded by each allocation, except where such comprehensive reporting is already required in terms of other legislation; and

(b) may further prescribe measures in respect of an allocation to ensure transparency, accountability and expenditure control as contemplated by section 61 of the Constitution of the Western Cape. 30

(4) Subject to subsection (5), the Provincial Treasury may at any time, after consultation with or at the written request of a provincial department, revise or amend a framework published in terms of this section. 35

(5) The Provincial Treasury must publish in the *Provincial Gazette* any revision or amendment of a framework published in terms of subsection (2) and—

(a) any revision or amendment of an earmarked allocation; and

(b) any reallocations by the Provincial Treasury referred to in section 5(3), authorised by an adjustments budget in terms of the Public Finance Management Act. 40

Withholding or stopping of earmarked allocations

5. (1) Subject to section 61(2) of the Constitution of the Western Cape, the Provincial Treasury may withhold or stop the transfer of funds in respect of an earmarked allocation to a provincial department if that department, or any other recipient organ of state for which that department is responsible, is in serious or persistent material breach of the measures in respect of the earmarked allocation contemplated in section 4(3) of this Act. 45

(2) The Provincial Treasury must, before withholding an earmarked allocation in terms of subsection (1), give the relevant provincial department—

(a) written notice of the intention to withhold the earmarked allocation; and 50

(b) an opportunity to submit written representations as to why the earmarked allocation should not be withheld.

(3) The Provincial Treasury may, where it stops an earmarked allocation in terms of this section, after consultation with any relevant provincial department, provide in an

adjustments budget that a part of the earmarked allocation that is not spent be reallocated to any other provincial department.

(4) The Provincial Treasury must, where it stops an earmarked allocation in terms of this section, publish a notice of the stopping, together with an explanatory memorandum, in the *Provincial Gazette*.

5

Withholding of conditional allocations

6. (1) A transferring provincial officer may withhold the transfer to a municipality of a conditional allocation or any part of such an allocation for a period not exceeding 30 days if—

- (a) the municipality does not comply with conditions to which the allocation is subject in terms of the framework concerned; or 10
- (b) expenditure on previous transfers during the financial year reflects significant under-spending, for which no satisfactory explanation is given.

(2) A transferring provincial officer must, at least seven days, or the shorter period approved by the Provincial Treasury, before withholding an allocation in terms of subsection (1)— 15

- (a) give the municipality concerned—
 - (i) written notice of the intention to withhold the allocation; and
 - (ii) an opportunity to submit written representations, within those seven days or that shorter period, as to why the allocation should not be withheld; and 20
- (b) inform the Provincial Treasury and the provincial department responsible for local government of its intention to withhold the allocation.

(3) A notice contemplated in subsection (2) must include the reasons for withholding the allocation and the intended duration of the withholding. 25

(4)(a) The Provincial Treasury may, when a transferring provincial officer is withholding an allocation in terms of subsection (1), instruct that officer, or approve a request from that officer, to withhold the allocation for a period longer than 30 days, but not exceeding 120 days, if the withholding—

- (i) facilitates compliance with the conditions to which the allocation is subject; or 30
- (ii) minimises the risk of under-spending.

(b) A transferring provincial officer must, when requesting the withholding of an allocation as contemplated in paragraph (a), provide the Provincial Treasury with proof of compliance with subsection (2) and a copy of any representations received from the municipality concerned. 35

(c) The transferring provincial officer must again comply with subsection (2) when the Provincial Treasury instructs, or approves a request for, the withholding of an allocation in terms of paragraph (a).

Stopping of conditional allocations

40

7. (1) Despite section 6, the Provincial Treasury may, in its discretion or at the request of a transferring provincial officer, stop the transfer of a conditional allocation or any part of such an allocation to a municipality—

- (a) on the grounds of persistent and material non-compliance with conditions to which the allocation is subject in terms of the framework concerned; or 45
- (b) if the Provincial Treasury anticipates that the municipality will substantially underspend on the programme or allocation concerned in the current financial year.

(2) The Provincial Treasury must, before stopping an allocation in terms of this section— 50

- (a) give the municipality concerned—
 - (i) 21 days' written notice of the intention to stop the allocation; and
 - (ii) an opportunity to submit written representations within those 21 days as to why the transfer of the allocation or part thereof should not be stopped; and 55
- (b) consult the Provincial Minister responsible for the provincial department that transfers the conditional allocation.

(3) The Provincial Treasury must, where it stops an allocation in terms of subsection (1), publish a notice of the stopping, together with an explanatory memorandum, in the *Provincial Gazette*.

(4) The Provincial Minister responsible for finance must report the stopping of the allocation to—

- (a) the Auditor-General; and
- (b) the Provincial Parliament at the tabling of the next appropriation legislation in the Provincial Parliament.

5

Reallocation after stopping of allocation to municipality

8. The Provincial Treasury may, where it stops an allocation in terms of section 7, after consultation with the transferring provincial officer and, in the case of an allocation referred to in section 29(2) of the Division of Revenue Act subject to section 29(3) of that Act, determine that the allocation or any part thereof be reallocated to one or more municipalities on condition that the allocation must be spent in the current or the next municipal financial year.

15

Transfers made in error

9. (1) The transfer of an allocation to a municipality in error is regarded as not legally due to that municipality.

(2) A transfer contemplated in subsection (1) must be recovered, without delay, by the responsible transferring provincial officer.

20

(3) Despite subsection (2), the Provincial Treasury may instruct that the recovery contemplated in subsection (2) be effected by set-off against future transfers to the municipality which would otherwise become due in accordance with a payment schedule.

**MEMORANDUM ON THE OBJECTS OF THE WESTERN CAPE
APPROPRIATION BILL [B3–2011]**

The Bill provides for the appropriation of money by the Provincial Parliament from the Provincial Revenue Fund for the requirements of the Province in the 2011/12 financial year, to votes and main divisions within a vote, and for the specific listed purposes, as set out in the Schedule.

Amounts listed in the Schedule as specifically and exclusively appropriated refer to national conditional grants, which may be used only for the purpose stipulated in the Division of Revenue Act and in accordance with the framework published in terms of that Act, as well as earmarked allocations. Earmarked allocations may be used only for the purpose stipulated in the Schedule and in accordance with the framework published in terms of clause 4 of the Bill. The framework must be published by the Provincial Treasury in the *Provincial Gazette* within 14 days of the commencement of this Bill.

The Provincial Treasury may withhold or stop the transfer of funds in respect of an earmarked allocation to a provincial department if that department, or the recipient organ of state for which that department is responsible, is in serious or persistent material breach of the measures in respect of an earmarked allocation.

A transferring provincial officer may withhold the transfer to a municipality of a conditional allocation or any part of such an allocation for a period not exceeding 30 days if the municipality does not comply with conditions to which the allocation is subject in terms of the framework concerned, or expenditure on previous transfers during the financial year reflects significant under-spending, for which no satisfactory explanation is given.

The Provincial Treasury may, in its discretion or at the request of a transferring provincial officer, stop the transfer of a conditional allocation or any part of such an allocation to a municipality on the grounds of persistent and material non-compliance with conditions to which the allocation is subject in terms of the framework concerned, or if the Provincial Treasury anticipates that the municipality will substantially under-spend on the programme or allocation concerned in the current financial year.

The Provincial Treasury may, where it stops an allocation, after consultation with the transferring provincial officer, determine that the allocation or any part thereof be reallocated to one or more municipalities on condition that the allocation must be spent in the current municipal financial year or the next municipal financial year.
