MEMORANDUM ON THE OBJECTS OF THE WESTERN CAPE DISTRICT HEALTH COUNCILS AMENDMENT BILL, 2013

1. BACKGROUND

- 1.1 The Western Cape District Health Councils Act, 2010 (Act 5 of 2010), (the Act), came into operation on 24 August 2011 by way of a proclamation published in *Provincial Gazette* No. 6901 dated 23 August 2011.
- 1.2 The Act gives effect to section 31 of the National Health Act, 2003 (Act 61 of 2003), which provides for the establishment of district health councils by the Provincial Minister for every health district in his or her province.
- 1.3 In terms of section 2(1) of the Act, a district health council consists of:
 - (a) a member of the metropolitan or district municipal council situated in the health district in question, nominated by the relevant council;
 - (b) a person appointed by the Provincial Minister to represent him or her;
 - (c) a member of the council of each local municipality within the health district, nominated by the members of the relevant council; and
 - (d) not more than five other persons, appointed by the Provincial Minister after consultation with the municipal council of the metropolitan or district municipality, as the case may be.”
- 1.4 As provided by section 2(1) of the Act, the composition of a district health council leads to an underrepresentation of local government, specifically on the City of Cape Town district health council, given that the City of Cape Town (*metropole*) does not have local municipalities. Currently, in terms of the Act, the district health council of the City of Cape Town only has a representative from the metropolitan municipal council, and hence the representation of local government on the City of Cape Town district health council is unbalanced, and unequal, compared to its representation on the district health councils in the rural areas, where each local municipality and the district municipality is represented.
- 1.5 At present, the City of Cape Town has twenty-four subcouncils, which are functionally grouped together into eight “clusters”. These clusters correspond to the health subdistricts in the metropole, the division of which was determined by the Provincial Minister in terms of section 30(1) of the National Health Act, 2003. The final Notice dividing the City of Cape Town health district into subdistricts, as per section 30(1) of the National Health Act, was published on 12 December 2012 in *Provincial Gazette* No. 7063.

2. PURPOSE OF THE AMENDMENT BILL

- 2.1 The purpose of the Western Cape District Health Councils Amendment Bill, 2013, (the Amendment Bill), is to amend the Act so as to address the issue of underrepresentation occurring in the City of Cape Town health district, given that it does not have any local municipalities and hence section 2(1)(c) of the Act does not apply.
- 2.2 The Amendment Bill seeks to amend the Act by making provision for the nomination of a representative from each of the eight health subdistricts in the City of Cape Town health district to serve on the City of Cape Town district health council.
- 2.3 The intended amendment will provide for a more balanced representation of local government in the rural and metropolitan health districts.

**MEMORANDUM OOR DIE OOGMERKE VAN DIE WES-KAAPSE
WYSIGINGSWETSONTWERP OP DISTRIKSGESONDHEIDSRADDE,
2013**

1. AGTERGROND

- 1.1 Die Wes-Kaapse Wet op Distriksgeondheidsrade, 2010 (Wet 5 van 2010), (die Wet), het op 24 Augustus 2011 in werking getree by wyse van 'n proklamasie wat in die *Provinsiale Koerant* No. 6901, gedateer 23 Augustus 2011, gepubliseer is.
- 1.2 Die Wet gee uitvoering aan artikel 31 van die Wet op Nasionale Gesondheid, 2003 (Wet 61 van 2003), wat voorsiening maak vir die instelling van distriksgeondheidsrade deur die Provinsiale Minister vir elke geondheidsdistrik in sy of haar provinsie.
- 1.3 Ingevolge artikel 2(1) van die Wet, bestaan 'n distriksgeondheidsraad uit:
 - “(a) 'n lid van die metropolitaanse of distriksmunisipale raad wat in die betrokke distrik geleë is, genomineer deur die betrokke raad;
 - (b) 'n persoon aangestel deur die Provinsiale Minister om hom of haar te verteenwoordig;
 - (c) 'n lid van die raad van elke plaaslike munisipaliteit binne die geondheidsdistrik, genomineer deur die lede van die betrokke raad; en
 - (d) nie meer as vyf ander persone nie, aangestel deur die Provinsiale Minister na oorleg met die munisipale raad van die metropolitaanse of distriksmunisipaliteit, na gelang van die geval.”
- 1.4 Soos voorgeskryf deur artikel 2(1) van die Wet, lei die samestelling van 'n distriksgeondheidsraad tot 'n onderverteening van plaaslike regering, spesifiek in die Stad Kaapstad distriksgeondheidsraad, gegewe die feit dat die Stad Kaapstad (*metropool*) nie plaaslike munisipaliteite het nie. Tans, ingevolge die Wet, het die distriksgeondheidsraad van die Stad Kaapstad slegs 'n verteenwoordiger van die metropolitaanse munisipale raad, en gevolglik is die verteenwoordiging van plaaslike regering in die Stad Kaapstad distriksgeondheidsraad onewewigtig en ongelyk, vergeleke met die verteenwoordiging in die distriksgeondheidsrade in die landelike distrikte, waar elke plaaslike munisipaliteit en die distriksmunisipaliteit verteenwoordig word.
- 1.5 Tans het die Stad Kaapstad vier-en-twintig subrade, wat funksioneel in agt “klusters” saamgegroepeer word. Hierdie klusters stem ooreen met die geondheidssubdistrikte in die metropool, waarvan die verdeling deur die Provinsiale Minister ingevolge artikel 30(1) van die Wet op Nasionale Gesondheid bepaal is. Die finale Kennisgewing wat die Stad Kaapstad-geondheidsdistrik ooreenkomstig artikel 30(1) van die Wet op Nasionale Gesondheid in subdistrikte verdeel, is op 12 Desember 2012 in die *Provinsiale Koerant* No.7063 gepubliseer.

2. OOGMERKE VAN DIE WYSIGINGSWETSONTWERP

- 2.1 Die oogmerk van die Wes-Kaapse Wysigingswetsontwerp op Distriksgeondheidsrade, 2013, (die Wysigingswetsontwerp), is om die Wet te wysig ten einde die kwessie van onderverteening wat in die Stad Kaapstad geondheidsdistrik geskied, op te los, gegewe die feit dat dit nie enige plaaslike munisipaliteite het nie en artikel 2(1)(c) gevolglik nie van toepassing is nie.
- 2.2 Die Wysigingswetsontwerp het ten doel om die Wet te wysig deur voorsiening te maak vir die benoeming van 'n verteenwoordiger uit elk van die agt geondheidssubdistrikte in die Stad Kaapstad geondheidsdistrik om in die Stad Kaapstad distriksgeondheidsraad te dien.

2.3 Die voorgenome wysiging sal voorsiening maak vir 'n meer ewewigtige verteenwoordiging van plaaslik regering in die landelike en metropolitaanse gesondheidsdistrikte.

3. INHOUD VAN DIE WYSIGINGSWETSONTWERP

Klousule 1

Klousule 1 voeg nuwe woordskrywings in vir die volgende terme:

- gesondheidssubdistrik;
- metropolitaanse munisipaliteit; en
- subraad.

Klousule 2

Hierdie klousule maak voorsiening vir 'n invoeging in artikel 2(1)(c) van die Wet om voorsiening te maak vir 'n lid uit elke gesondheidssubdistrik in die metropolitaanse munisipaliteit, wat benoem word deur die subrade geleë in die betrokke subdistrik om in die distriksgesondheidsraad te dien.

Klousule 3

Hierdie klousule wysig artikel 4(e) van die Wet ten einde 'n verwysing na die subrade bedoel in artikel 2(1)(c), soos gewysig, te maak.

Klousule 4

Hierdie klousule maak voorsiening vir die kort titel.
